To Whom It May Concern:

My name is Rick Dom and I am an Account Executive with Environmental Recovery Corporation in Lancaster, PA. I am writing this letter for a recommendation of Bortek Industries and Industrial Cleaning Equipment. My Field Services Department recently utilized an Advance Walk Behind scrubber from Bortek's Rental Fleet for a remediation job in Lancaster, PA.

Bortek provided me with a late model floor scrubber, appropriate cleaning chemicals for that unit, and knowledge to complete this job in a timely and efficient manner. They were easy to deal with, delivered the machine to my jobsite, and were able to adapt to my schedule change on short notice. This equipment performed at a high level and met all of my expectations.

I would strongly recommend Bortek Industries for anyone in need of Industrial Floor Cleaning Equipment. I plan to use them for any and all future scrubber or sweeper needs.

Regards,
