# GREENKEY CLEANING PRODUCTS

## Oxy-Green™ Cleaner Degreaser

A powerful but totally safe DfE designated product that is fortified with Hydrogen Peroxide. **Oxy-Green** is more than a cleaner/-degreaser. It also is an excellent stain remover for carpets and other textiles. It may be used for cleaning porcelain surfaces, kitchen and bathroom countertops and fixtures; **Oxy-Green** will remove soils from any washable surface. Highly concentrated for economy in use, **Oxy-Green** is the one product for truly Green cleaning.

- Removes odors, cleans up stains
- Dissolves oily soil and stains
- Use as a spray and wipe
- Use as a floor cleaner

## Vista Glass™ and Hard Surface Cleaner

A ready to use product containing naturally occurring ingredients. Use Vista on all surfaces unharmed by water. Vista will leave glass spotless and sparkling. Vista also helps repel soil. Vista is available ready to use or as a concentrate.

- Film free-streak free.
- Rapid drying.
- Removes finger prints and environmental soils.
- Contains no ammonia, alcohol or perfume.

## Green Plus™ All Purpose Cleaner

This unique product is formulated and manufactured without solvents, alkalis or petroleum products. Tough on soil, safe for the user and for the environment.

- Removes a wide variety of environmental soils.
- Safe on all surfaces unaffected by water.
- Free rinsing, leaves no residue.
- Natural color, contains no dyes or perfumes.

## SUPPLIES

Here is a very select and very special group of **Green Key Dfe Certified Products**.

These products will be widely used wherever a cleaner, greener environment is desired or mandated.

*Green Key Products are products that are environmentally preferred and generally recognized as safe. These products are formulated with ingredients that meet the strict EPA regulations to be so designated as DfE. All of our Green Key Products display the EPA DfE logo and have been formulated in Partnership with the EPA Design for the Environment Formulator initiative.*

Green Key Certified Products  
for a cleaner, greener environment.

# GREEN KEY CLEANING SOLUTIONS

## Green N' Easy™ Floor Finish Stripper

Low Odor, powerful with quick penetration, yet safe for the user and for the environment. Green N' Easy will dissolve multiple coats of floor finish and float emulsified finish to the surface where it can be easily picked up with a mop or vacuum. This is the preferred stripper for health care facilities, schools and institutions where green cleaning is of prime concern.

- Concentrated.
- Low odor.
- No rinse required when vacuumed up.
- Excellent on removing multiply coats of finish.
- Works quickly.

## New Horizon™ Environmentally Responsible Floor Coating

Starco's New Horizon Floor Coating is a zinc-free high solids combination finish sealer. This product exhibits excellent gloss, durability and is detergent and slip resistance. Use New Horizon Floor Coating on all resilient and hard surface flooring.

- Maintain with any speed floor machine.
- Versatile, and can be maintained with traditional maintenance methods.
- High initial gloss.
- Excellent laydown, leveling and durability.
- Rapid drying, easily removed when needed.

## Kleen N' Green™ Bathroom Cleaner

This safe acid bowl cleaner is environmentally preferred over other harsh acid based products. Safe for the environment and for the user. Kleen N' Green will remove unsightly stains, soil and mineral scale. Kleen N' Green can also be used to remove scale from drinking fountains and around sink drains, etc.

- Contains safe acids and other environmentally preferred ingredients.
- Cleans and deodorizes.
- Will not fume.
- Safe on most surfaces.

## ForeverGreen™ Neutral Cleaner, Degreaser, Deodorant

Now with one neutral product you can clean, degrease and deodorize. ForeverGreen works on all surfaces unharmed by water. Use this product daily for all your cleaning chores.

- Mild deodorizing scent from natural essence.
- Concentrated for economy.
- Free rinsing, leaves no residue.
- Cleans and degreases.

**Green Key Products** are packaged in 4 gallons per case.

All products are certified Kosher.

All products are classified as non toxic and list no hazardous ingredients on their respective SDS
