34 Walkie / TR Rider SWEEPER

A COMPLETE FAMILY OF INDUSTRIAL CLEANING EQUIPMENT

KEY FEATURES INDUSTRIES

Baghouse Filter and Beater Bar provides unmatched particulate collection. Sweepers can pick up whole bags of cement at a time. In most cases the filter will last the lifetime of the machine.

Maintenance is a snap. There's no oil to change, brooms to reverse, fuel to spill, tanks to exchange, valves to grind. Just put the machine on charge after every shift.

All steel construction built to last even in the toughest applications. Able to withstand years of abuse.

Time is money and none gets wasted with our sweepers. Monthly labor savings reach thousands of dollars when you sweep with our 34 or TR.

High Performance motors provides an unmatched standard of cleaning.

0 point turns for no nonsense mobility. This gives the control and accuracy needed for heavy industrial cleaning without missing a spot.

Bortek has over 50 years' experience in the Power Cleaning Equipment and Commercial Supply Industry. We've maintained the best employees, amazing customers, world-class customer service, awesome power cleaning equipment, best-in-the-biz liquid cleaners, and an extensive selection of commercial supplies.

We get a real kick out of helping our customers with their cleaning equipment and commercial supply needs. We love what we do and we're pumped to work with you. Running and managing aspects of a business can be a total headache in and of itself. Maintaining your facility or being responsible for road maintenance/clean-up, just adds to that

pressure behind your eyeballs. It's a raw deal sometimes, we understand. That's part of why we do what we do. We like things to be simple.
