| Unknown Toxi<br>6.8% of the mix                    |  | dient(s) of unknown toxicity |                         |        |      |
| Other information                                  |  |                              |                         |        |      |

### **Interactions with Other Chemicals**

May react with bleach-containing products or other household cleaners to produce hazardous gases.

### **3. COMPOSITION/INFORMATION ON INGREDIENTS**

| CAS-No     | Weight %   | Trade Secret     |
|------------|------------|------------------|
| 66455-15-0 | 3 - 7      | *                |
| 79-14-1    | 1 - 5      | *                |
|            | 66455-15-0 | 66455-15-0 3 - 7 |

\* The exact percentage (concentration) of composition has been withheld as a trade secret

### 4. FIRST AID MEASURES

### First aid measures

| General Advice   | Show this safety data sheet to the doctor in attendance.  |  |
|--|---|--|
| Eye Contact  | Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. |  |
| Skin Contact   | Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. If irritation occurs, get medical advice.  |  |
| Inhalation   | Move to fresh air. If breathing is affected, call a doctor.   |  |
| Ingestion  | Call a poison control center or doctor immediately for treatment advice. Have person sip a glassful of water if able to swallow. DO NOT induce vomiting unless told to do so by a poison control center or doctor.              |  |
| Most important symptoms and effects, both acute and delayed                |   |  |
| Most Important Symptoms/Effects  | Mild irritation of eyes and skin.   |  |
| Indication of any immediate medical attention and special treatment needed |   |  |

Notes to Physician Treat symptomatically.

### 5. FIRE-FIGHTING MEASURES

### Suitable Extinguishing Media

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

### Unsuitable Extinguishing Media

CAUTION: Use of water spray when fighting fire may be inefficient.

### Specific Hazards Arising from the Chemical

No information available

### **Explosion Data**

Sensitivity to Mechanical Impact None

Sensitivity to Static Discharge None

### **Protective Equipment and Precautions for Firefighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

### 6. ACCIDENTAL RELEASE MEASURES

### Personal precautions, protective equipment and emergency procedures

| Avoid contact with eyes and skin.  |  |  |
|--|--|--|
| Refer to protective measures listed in Sections 7 and 8.   |  |  |
|  |  |  |
| See Section 12 for additional ecological Information   |  |  |
| Methods and material for containment and cleaning up   |  |  |
| Prevent further leakage or spillage if safe to do so.  |  |  |
| Absorb and containerize. Wash residual down to sanitary sewer. Contact the sanitary treatment facility in advance to assure ability to process washed-down material. |  |  |
|  |  |  |

### 7. HANDLING AND STORAGE

### Precautions for safe handling

Handle in accordance with good industrial hygiene and safety practice. Avoid contact with eyes, skin, and clothing. Do not eat, drink, or smoke when using this product.

### Conditions for safe storage, including any incompatibilities

| Storage               | Keep containers tightly closed in a dry, cool, and well-ventilated place. |
|-----------------------|---|
| Incompatible Products | Products containing bleach and other household cleaners.                  |

### 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

### **Control parameters**

Handling

### **Exposure Guidelines**

| Chemical Name                               | ACGIH TLV | OSHA PEL | NIOSH IDLH |
|---|-----------|----------|------------|
| Alcohols, C10-14, ethoxylated<br>66455-15-0 | None      | None     | None       |
| Glycolic acid<br>79-14-1                    | None      | None     | None       |

ACGIH TLV: American Conference of Governmental Industrial Hygienists - Threshold Limit Value. OSHA PEL: Occupational Safety and Health Administration - Permissible Exposure Limits. NIOSH IDLH: Immediately Dangerous to Life or Health.

### Appropriate engineering controls

### **Engineering Measures**

Showers Eyewash stations Ventilation systems

# Individual protection measures, such as personal protective equipmentEye/Face ProtectionIf splashes are likely to occur, wear safety glasses with side-shields. None required for<br/>consumer use.Skin and Body ProtectionNo special protective equipment required.Respiratory ProtectionIf irritation is experienced, NIOSH/MSHA approved respiratory protection should be worn.<br/>Positive-pressure supplied air respirators may be required for high airborne contaminant<br/>concentrations. Respiratory protection must be provided in accordance with current local<br/>regulations.Hygiene MeasuresRemove and wash contaminated clothing before re-use. Avoid contact with skin, eyes, or<br/>clothing. Do not eat, drink, or smoke when using this product.

### 9. PHYSICAL AND CHEMICAL PROPERTIES

| Physical and Chemical Properties       |                         |                 |                          |
|--|-------------------------|-----------------|--------------------------|
| Physical State                         | Slightly viscous liquid |                 |                          |
| Appearance                             | Clear                   | Odor            | Pine                     |
| Color                                  | Amber                   | Odor Threshold  | No information available |
|  |                         |                 |                          |
| <u>Property</u>                        | Values                  | Remarks/ Method |                          |
| рН                                     | 2 - 3                   | None known      |                          |
| Melting/freezing point                 | No data available       | None known      |                          |
| Boiling Point/Range                    | No data available       | None known      |                          |
| Flash Point                            | No data available       | None known      |                          |
| Evaporation rate                       | No data available       | None known      |                          |
| Flammability (solid, gas)              | No data available       | None known      |                          |
| Flammability Limits in Air             |                         |                 |                          |
| Upper flammability limit               | No data available       | None known      |                          |
| Lower flammability limit               | No data available       | None known      |                          |
| Vapor pressure                         | No data available       | None known      |                          |
| Vapor density                          | No data available       | None known      |                          |
| Specific Gravity                       | ~1.0                    | None known      |                          |

| Oxidizing Properties                   | No data available       |                 |                          |
|  |                         |                 |                          |
| Other Information                      |                         |                 |                          |
| Softening Point                        | No data available       |                 |                          |
| VOC Content (%)                        | No data available       |                 |                          |
| Particle Size                          | No data available       |                 |                          |
| Particle Size Distribution             | No data available       |                 |                          |
|  |                         |                 |                          |

### **10. STABILITY AND REACTIVITY**

### **Reactivity**

May react with bleach-containing products or other household cleaners to produce hazardous gases.

### Chemical stability

Stable under recommended storage conditions.

### **Possibility of Hazardous Reactions**

None under normal processing.

### **Conditions to avoid**

None known.

### Incompatible materials

Products containing bleach and other household cleaners.

### **Hazardous Decomposition Products**

None known based on information supplied.

### **11. TOXICOLOGICAL INFORMATION**

### Information on likely routes of exposure

| Product Information<br>Inhalation | Exposure to vapor or mist may irritate respiratory tract.   |
|-----------------------------------|---|
| Eye Contact                       | May cause eye irritation.   |
| Skin Contact                      | Prolonged contact may cause irritation.   |
| Ingestion                         | Ingestion may cause irritation to mucous membranes and gastrointestinal irritation, nausea, vomiting, and diarrhea. |

### **Component information**

|   | Chemical Name            | LD50 Oral | LD50 Dermal | LC50 Inhalation     |
|---|--------------------------|-----------|-------------|---------------------|
| F | Glycolic acid<br>79-14-1 | -         | -           | 7.7 mg/L (Rat, 4 h) |

### Information on toxicological effects

| Symptoms   | May cause redness and tearing of the eyes and skin redness.   |  |
|--|---|--|
| Delayed and immediate effects as well as chronic effects from short and long-term exposure |   |  |
| Sensitization  | No information available.   |  |
| Mutagenic Effects  | No information available.   |  |
| Carcinogenicity  | Contains no ingredient listed as a carcinogen.  |  |
| Reproductive Toxicity  | No information available  |  |
| STOT - single exposure   | No information available.   |  |
| STOT - repeated exposure<br>Chronic Toxicity<br>Target Organ Effects                       | No information available.<br>Carcinogenic potential is unknown.<br>Respiratory system, eyes, skin, gastrointestinal tract (GI). |  |

### **Aspiration Hazard**

No information available.

### Numerical measures of toxicity Product Information

The following values are calculated based on chapter 3.1 of the GHS document Not applicable.

### **12. ECOLOGICAL INFORMATION**

### **Ecotoxicity**

No information available.

### Persistence and Degradability

No information available.

### Bioaccumulation

No information available.

### **Other Adverse Effects**

No information available.

### **13. DISPOSAL CONSIDERATIONS**

### **Disposal methods**

Dispose of in accordance with all applicable federal, state, and local regulations.

### **Contaminated Packaging**

Do not reuse empty containers. Dispose of in accordance with all applicable federal, state, and local regulations.

| 14. TRANSPORT INFORMATION  |               |  |  |  |  |  |

### **U.S. Federal Regulations**

### SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

### SARA 311/312 Hazard Categories

| Acute Health Hazard               | Yes |
|-----------------------------------|-----|
| Chronic Health Hazard             | No  |
| Fire Hazard                       | No  |
| Sudden Release of Pressure Hazard | No  |
| Reactive Hazard                   | No  |
|                                   |     |

### **Clean Water Act**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

### CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

### **EPA Statement**

This chemical is a pesticide product registered by the Environmental Protection Agency and is subject to certain labeling requirements under federal pesticide law. These requirements differ from the classification criteria and hazard information required for safety data sheets and for workplace labels of non-pesticide chemicals. Following is the hazard information as required on the pesticide label:

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

### **U.S. State Regulations**

### California Proposition 65

This product does not contain any Proposition 65 chemicals.

## U.S. State Right-to-Know Regulations None known.

### International Regulations

Canada WHMIS Hazard Class D2B Toxic Materials
