

# MPV<sup>®</sup> 31

## Wide Area Carpet Vacuum

Powerful Suction  
and Versatility  
Combine for  
Incredible  
Performance.

From wide open carpeted areas to upholstery,  
the MPV 31 cleans with speed and precision.

**Minuteman<sup>®</sup>**

# MPV<sup>®</sup> 31 Wide Area Vacuum

## Labor Saving, Effortless Power

Minuteman's MPV<sup>®</sup> -31 Wide Area Vacuum commands powerful suction to clean large carpeted spaces with efficiency, speed, effortless maneuverability and quiet operation. Durable constructed of rotationally molded polyethylene, the MPV-31 will endure the rigors of heavy use. The lightweight, low-profile design combined with powerful brush action enables the MPV-31 to glide across carpet with ease and delivers impressive results.

Sweeping a wide 30" path, the MPV-31 cleans up to 25,000 sq. ft. per hour and greatly reduces labor time. Further maximizing efficiency, the MPV-31 features an attached telescopic wand and on-board accessory tools for cleaning above-the-floor and hard-to-reach areas.

The MPV-31's Clean Air Filtration System provides 95% filtration efficiency at 5 microns and easily changes from a 4 to 5-stage filter system with optional cloth filter. The 5-stage system consists of an embossed polyester filter bag, disposable paper bag, foam filter, intake filters on the dual vac motors and an exhaust filter.

On-board tools and telescopic wand make detail cleaning easy. Clean under, around and above areas where the walk-behind can't reach without missing a step.

### ADDITIONAL FEATURES:

- Handle folds for compact storage
- Convenient foot lever for multiple brush height adjustments
- Multiple handle adjustments
- Ergonomic, low-profile design

### SPECIFICATIONS

Construction	Rotationally molded polyethylene, 1/4" double wall construction	Filter Bags	Enclosed, top fill, standard disposable paper bag or optional reusable cloth bag, or both
Brush Housing	Stainless steel	Bag volume	1.2 bushels
Brush	30" (76cm), nylon, chevron design, 3" diameter	Built-in Hose	1-1/4" diameter, extends from 24" (61) to 6' (1.8m)
Brush Speed	1,550 RPM	Built-in Wand	26" (66cm) x 40" (102cm) aluminum, telescopic
Brush Motor	1/4 H.P. (186 watts)	Handle	Steel tubing, fully adjustable
Brush Height Adjustment	4-position foot lever	Wheels - Front (casters)	(2) 2" (5 cm) non-marking, swivel
Air Flow	212 CFM (99 ltrs/sec)	Wheels - Rear	(2) 12" (30 cm) non-marking
Waterlift	63" (1,600 mm)	Dimensions (LxW xH)	37" x 31" x 17.5" (94cm x 79cm x 44cm )
Vacuum motor	(2) 1.1 H.P. (802 watts)	Dimensions (LxW xH) in folded, upright storage position	17.5" x 31" x 37" (44cm x 79cm x 94cm )
Sound Level	72 db	Weight	130 lbs. (59 kg)
Power Cable	75' (23 m), 12-3 gauge, with built-in cord wrap	Accessories (in a Built-In Tool Caddy)	Standard on-board dust brush, crevice tool and combination hard floor / carpet tool (standard)
Power	115 Volt, 60 Hz (230 Volt, 50 Hz also available )
