

Minuteman[®]
Excellence Meets Clean

MicroVac
Multi-Purpose H.E.P.A. Vacuum

Key Features

- Full bag indicator light alerts the operator that the unit is full and/or that the filters need servicing
- Polyethylene tank is non-corrosive and dent proof, carrying a 10 year warranty
- 4-stage filtration system (with optional cloth filter bag) extends life of H.E.P.A. filter

Applications

- Mold, lead or asbestos remediation
- Combat harmful allergens such as pollen, dust mites and animal dander that collects in carpeting, draperies and furniture

General Overview

- Dry only, three stage filtration system includes disposable collector bag, pre-filter and H.E.P.A. filter
- H.E.P.A. filter is 99.97% efficient at 0.3 microns, tested in accordance with IEST-RP-CC007 standards
- Quiet, powerful vacuum motor
- Rugged, low profile, easy to maneuver polyethylene tank design
- Each unit includes 1 ¼" x 8' hose, telescopic operator handle, crevice, dust brush, combo floor tools and package of 10ea collector bags
- Conveniently located on/off power switch
- Patented self-sealing/quick-release intake mechanism

Markets

- Designed with the professional operator in mind for safe and efficient daily use in residential or commercial sites

Accessories/Options

- Electric powerhead
- Air driven turbo brush
- Tool caddy
- Upholstery tool
- Washable cloth filter
