ROYAL CARPET CARE

Prespray & Extraction, Deodorizer & Sanitizer, Rinse & Neutralizer

YOUR CLEANING SOLUTIONS RESOURCE®

Royal PS- Prespray & Extraction Carpet Cleaner

 Case of Four 1-Gallon Bottles **Item # I11**

Royal PS is an environmentally responsible, anti-soil, multi-purpose carpet cleaner concentrate for use as a pre-spray & extraction cleaner. Special low foaming, anti-soil cleaner is designed to maximize cleaning efficiency while minimizing sticky residue. Residue causes resoiling, which increases cleaning frequency, costing time and energy.

Royal SD- Soft Surface Sanitizer & Carpet Deodorizer

 Case of Four 1-Gallon Bottles **Item # LVP102304**

Royal SD deodorizes by killing microorganisms that cause offensive odors, leaving a clean fresh scent. Cost effective concentrate for use on soft surfaces, which can be sanitized in 5 minutes. This product is effective at eliminating odors on porous surfaces such as upholstery, drapes, carpets, bedding, shower curtains, mattresses and non-porous surfaces such as walls and floors. Excellent for fire restoration.

Royal RN- Carpet Rinse & Neutralizer

 Case of Four 1-Gallon Bottles **Item # I30**

Royal RN is a specially formulated product with Advanced Gemini Surfactant Technology, used to rinse the carpet after extraction cleaning, shampooing, or bonnet buffing. This necessary step will remove any residue remaining in the carpet fibers and will further rinse on the acid side to prevent the carpet from oxidizing (turning brown), leaving a pleasant scent and fresh, clean feel. Excellent for coffee, tea, and light rust stains. Safe on all synthetic carpet fibers. Does not contain any optical brighteners.

Royal SR- All-Purpose Spotter

 Case of Four 1-Gallon Bottles **Item # I74**

Royal SR is a one-step "all-purpose spotter" and stain remover designed to remove the toughest oil and waterbased stains and spots caused by foods, beverages, petroleum and natural type greases and oils, blood, urine, lipstick, inks and Beta-dine®. Penetrates and lifts spots and stains in one easy application. No rinse required makes this product a quick fix for high traffic areas. Safe for use on colorfast carpets not affected by water, including nylon, rayon, and other natural and synthetic fibers.

FEATURES

- Clean With Minimal Residue
- Fast-acting Sanitization
- Oxidization Prevention
- Deodorizer

BENEFITS

- Products Available for Every Step and Situation
- Fire Restoration & Deodorizer
- Efficiency decreases necessary cleaning frequency

AREAS OF USE

- Health Care Facilities
- Day Care Centers
- Business Office Buildings
- Hotels & Lodging
- Schools
- Airports
