SGP SERIES

Hot Water Pressure Washer

- Gasoline Powered • Direct Drive Pump • Portable • Diesel or Fuel Oil Heated

The SGP is Shark's solution to the demand for versatility and portability in a compact hot water pressure washer. Thanks to revolutionary engineering, it can operate without the need for a battery.

Safety rupture disk attached to discharge side of heating coil protects against excessive pressure

Durable hot water coil made of 1/2-inch, Sch. 80 steel pipe and cold rolled for years of leak-free operation; with easy coil access design

Rugged all-steel chassis and frame with lifting point and limited lifetime warranty; painted with black wrinkle paint for all-weather protection

Durable, triplex, oil-bath, high-pressure pump, with three ceramic pistons and forged brass manifold, backed by an industry-leading warranty

Reliable **Honda engine** on most models with three-year limited warranty features low-oil alert and silent-tone muffler

12" flat free polyurethane foam filled tires with steel wheels for all-terrain maneuvering

Easy-to-understand illustrated operating instructions for multi-lingual operator and owner protection

Safety thermal pump saver valve protects against hot-water damage by venting recirculated water

High-quality, tamper proof unloader valve for operational safety

Heavy-duty, insulated trigger gun with **fatigue-free handle** and rated for 4500 PSI

Enclosed control panel with automatic thermostat, hour meter and burner on/off switch

50 ft. of wire-braid hose rated for up to 4500 PSI, with safety hose guard for burst protection

Chrome plated steel variable pressure wand has **adjustable, easy-grip handle** for hours of fatigue-free pressure washing

Four vibration isolators mounted under the engine reduce vibration, wear and tear on components

Four vibration isolators mounted under the engine reduce vibration, wear and tear on components

Rust-free, 6-gallon polyethylene tank for diesel heating fuel

U-Seal Technology

Crankcase pumps feature U-Seal technology, giving pumps longer life and better performance.

Certified to UL - 1776 Safety Standards

* Extra-compact frame

+ Only model that ships with battery

Dimensions: 46"L x 28"W x 44"H; Compact frame 39"L x 28"W x 42"H

SGP SERIES

 compact models — no battery needed

Revolutionary technology allows the burner to function without a battery

Built on a rugged 1-1/4" powder coated steel frame, these compact gas roll cage models are designed for construction sites, farms and factories. The different models deliver hot water cleaning of up to 3500 PSI. Each features a Kärcher pump with limited 7-year warranty, industrial-grade motor and flat-free tires. All are certified to UL and CSA safety standards.

DETERGENTS

 Fast-cleaning, commercial-grade

Custom formulated especially for pressure washers

Shark Detergents are highly concentrated and made with non-butyl blend of ingredients formulated to provide a non-caustic, low-foaming detergent for a broad range of uses on many surfaces. All detergents are engineered specifically to be metered through a hot- or cold-water pressure washer with a high dilution ratio, making the cost-in-use very economical. Plus, all Shark detergents are biodegradable.

SURFACE CLEANER

Attachment

Attaches to a pressure washer to clean flat surfaces faster

Surface Cleaner cleans flat surfaces up to 3 times faster than a wand, and without "striping".

PRESSURE WASHER SALES CENTER

Increase Sales

This attractive, heavy duty display rack goes together quickly using only four bolts and can be set up as an island or against a wall using very little floor space.

WHY SHARK

Rental Tough

Originating over 20 years ago, Shark Pressure Washers were developed to withstand the most demanding environment - the rental industry - where durability and reliability are tested to the max.

Today, Shark's dominating reputation for ruggedness and safety, as well as the strongest warranty offering in the cleaning industry, is recognized by a broad array of cleaning professionals and commercial contractors.

BENEFITS

Here are the Top 6 reasons Shark is America's #1 name in pressure washers

Shark's broad line of pressure washers and accessories allow customers to reap the benefits of a one-stop shop for pressure washer supplies, such as:

1. Accessories

More than 40,000 different replacement parts and accessories are in stock or ready to order when you need them most

2. Selection

A huge selection of more than 80 hot- and cold-water pressure washers

3. Price

Competitive pricing on hoses, guns, wands, nozzles, repair kits, and pressure washer components

4. Coil

Stainless steel coil wraps now come standard on nearly all of our hot-water pressure washers

5. Soap

A wide selection of detergents are formulated specifically for pressure washers

6. Parts

A handy and affordable Shark Parts Box puts the most often needed pressure washer parts at your fingertips
