

2500 Series Cart Jetter

2-wheel cart is easy to load and unload in your vehicle and easily transported up and down steps.

2511-J Includes:

- 11hp manual start gasoline engine
- Triplex pump - 4.0 GPM @ 3,000 psi

2513-J Includes:

- 13hp manual start gasoline engine
- Triplex pump - 4.8 GPM @ 3,000 psi

Cart Jetters

These user-friendly models are geared for residential and commercial sewer lines up to 8" in diameter. The optional lateral cleaning kit package allows you to leave the engine outside a building while you clean an inside line. With an automatic throttle control valve, the engine responds to your water usage. Open the flow, and it revs up to maintain maximum pressure. Cut the flow, and it idles down for reduced noise, pump wear, and engine wear.
