

CB6 REAR MOUNTED

CB6 Catch basin cleaner

Standard equipment includes:

AIR/VAC SYSTEM

- < Positive displacement exhauster
- < 2700 CFM (4587.3M³H) operating capacity, 204" (5181.6mm) water column
- < Carbon reinforced chain drive
- < Muffler silencer-with clean out
- < Protected by filter/centrifugal separator
- < Vacuum relief valves (2)

DEBRIS TANK

- < 6 cu. yd. volumetric capacity
- < Hydraulic dumping
- < Top hinged full hydraulic opening rear door
- < Two 5" (127mm) liquid sight eyes
- < Steel deflector plate
- < Strainer on rear door drain
- < Hydraulic rear door locks
- < 10" (254mm) diameter stainless steel ball check valve
- < 6" (152.4mm) quick opening rear drain valve with 15' (4.6M) lay flat hose
- < Cylindrical design
- < 1/4" (6.4mm) A36 steel

HYDRAULIC DUMPING

- < Single lever control
- < Dumping at 45° angle
- < Heavy duty double acting cylinder
- < Self-aligning closure seal

BOOM ASSEMBLY

- < Top mounted
- < 360° motorized boom rotation
- < Internal air vac valve
- < 6" (152mm) extra heavy duty rubber intake hose
- < Extending boom to a minimum of 14.5 (4.4M)
- < Power up/down
- < Rear storage location
- < Portable pendant control, all functions with 35' (10.7M) cable
- < Clean out port

WATER PUMP SYSTEM

- < Triplex reciprocating
- < 0-35 GPM (0-132.5 LPM) capacity
- < 0-2000 PSI (0-137.9 Bar) rating
- < Water pressure gauge
- < Air valve on pump for winterization
- < Pressure relief valve
- < Water flow control valve
- < Carbon reinforced chain drive
- < Capable of running dry
- < Washdown gun connection

WATER TANKS

- < Two saddle tanks
- < 500 U.S. gallon (1892.7L) capacity
- < 3/8" (9.5mm) stress reinforced polyethylene and ribbed reinforced
- < Anti-syphon air gap protection
- < Curb side fill
- < 2 Liquid level indicators

POWER TAKE OFF (PTO)

- < Split shaft assembly
- < Pneumatic shifting

ACCESSORIES, STANDARD

- < Pivoting tank support prop
- < One 6" x 6' (203.2mm x 1.8M) aluminum intake tube
- < One 6" x 8' (203.2mm x 2.4M) aluminum extension tube
- < Two operation, parts and service manuals
- < Painted acrylic enamel
- < Touch up paint
- < Two side mounted tool boxes
- < Two tube storage carrier on rear door
