WHY CHOOSE KODIAK?

Kodiak Cleaning Equipment specializes in durable equipment that will last for years to come. If you are tired of purchasing a new floor scrubber every year, you have come to the right place! We would love to get in contact with you and provide a complimentary Site Survey and Demonstration. Finally a quality alternative to used, reconditioned, demoed or cheap imported products that break and lack local support. Kodiak is assembled with American Labor and has parts and technical support 2nd to none. Comparable in price to mid-lower segment equipment, but not cheaply made. Reduced cost to build due to simplicity in design, leveraging excess production capacity and brought to market with exhibiting resources.
